QUARTERLY REPORT**REGARDING**

Order No. 94-11
Former Lockheed Propulsion Company
Solid Propellant Rocket Motor Production Facility ("Site")
Crafton/Redlands Area
San Bernardino County

Pursuant to Order No. 94-11, item 4, Lockheed Martin Corporation hereby submits this quarterly report to the Regional Water Quality Control Board, Santa Ana Region. This report covers activity for January, February and March 2004.

Technical Data Generated

No technical data was generated during the reporting period.

Progress Made

Telephone discussions between LMC and the RWQCB occurred during the reporting period to set up a meeting to be held in the next reporting period on April 28, 2004. In the upcoming meeting, we will discuss scheduling activities associated with the previously submitted Closure Work Plan dated January 20, 2000.

Problems Encountered

No significant problems were encountered during this reporting period.
